Subject: Extension Request Granted, Geneva Rock Products, Inc., Point of the Mountain (South Hansen), M/035/026, Salt Lake County, Utah

Dear Mr. Clyde:

On January 22, 2007 we received your letter requesting a 30 extension to furnish your response to the Division's third review of your Large Mining Plan for your Point of the Mountain (South Hansen) Quarry. You have requested this extension because of the holidays the information had not been reviewed by Geneva's permitting person.

Given the extenuating circumstances, the Division hereby grants your extension request. Please provide your response by February 23, 2007.

Thank you for your continued cooperation.

Sincerely,

Susan M. White  
Mining Program Coordinator  
Minerals Regulatory Program
